

CONTENT

Geocology

- Silyutin S.A., Epshtein S.A.* Wastes from coal mining and processing. Methodological approaches to the assessment of their ecological safety and directions for use. Part 1. Characterization of solid wastes from coal mining and processing in foreign countries..... 5
- Brigida V.S., Kozhiev Kh.Kh., Saryan A.A., Dzhioeva A.K.* Time-space problems in geocology: An inter-disciplinary approach 20
- Marinin S.D., Afrikyan G.T.* Production of carbon sorbents for metal recovery from metal salt solutions..... 33

Geomechanics, Rock failure

- Zhukov V.S.* Estimating the strength and elasticity of rocks in the Dagi formation on the Sakhalin shelf..... 44
- Berdinova N.O., Sedina S.A., Shamganova L.S., Kalyuzhny E.S.* Prediction of strains in strong rock mass of the Kurzunkul open pit mine by the kinematic analysis..... 58
- Kasparyan E.E., Kuznetsov N.N., Shokov A.N., Pak A.K.* Dynamic failure conditions in strong rock masses..... 69
- Alenichev I.A., Rakhmanov R.A., Shubin I.L.* Assessment of near-field blast effect toward optimized drilling-and-blasting in pit wall rock mass 85
- Kravchenko O.S.* Regular patterns of acoustic activity, axial and volumetric strains in rock salt under Karman's loads and thermal effects 96

Mining industrial geology, Mining geophysics

- Karelina E.V., Androsova N.K., Morozova T.P., etc.* Geochemical peculiarities of the Petropavlovsk gold deposit, Polar Ural 105
- Skuratnik V.L., Nikolenko P.V., Anufrenkova P.S.* About features of ultrasonic measurements in coal samples using shear elastic waves..... 117

Mining machinery

- Neskoromnykh V.V., Chikhotkin A.V.* Analysis of rock destruction mechanics by PDC cutters with regard to dynamic cutting–shearing processes and resistance..... 127
- Shikhov A.M., Rumyantsev S.A., Azarov E.B.* Enhanced energy efficiency in actuation and operation 137

Geoinformatics

- Zatonskiy A.V.* Method of continuous programmed diagnostics of equipment..... 146

Special editions MIAB

<i>Gorlov I.V., Rakhutin M.G., Churyumov V.Yu., etc.</i> The technology of extraction and processing of peat, turf equipment and its repair.....	32
<i>Team of authors</i> Industrial and environmental safety in the mining and metallurgical industry	43
<i>Kretov V.A., Gorn E.V., Yakunchikov E.N., etc.</i> Ways to improve the efficiency of mining and mining processing industries	84
<i>Kilin A.B., Shapovalenko G.N., Gartman A.A., etc.</i> Ensuring effectiveness of innovative activities of enterprises of coal mining production Association.....	126
