Geotechnology

Dulin D.V. Procedure of selective extraction of low-ash coal in the Apsat field at near-vertical dip of seams 5

Khokholov Yu.A. Features of heat- and mass-exchange in a safety cushion in mining under open pit bottom 13

Meshkov A.A., ***Popov A.L.***, ***Popova Yu.V.***, ***etc.*** Prediction of hazardous phenomena within operating coal seam for the Yalevsky mine field 22

Labor protection in mining

Babokin G.I., ***Shprekher D.M.***, ***Kolesnikov E.B.*** Method of improving safe operation of mining machinery electrics by forecasting insulation resistance 34

Mine aerogasdynamics, Mining thermophysics

Maltsev S.V., ***Kazakov B.P.***, ***Isaevich A.G.***, ***Semin M.A.*** Air exchange dynamics in the system of large cross-section blind roadways 46

Safety in emergency

Slastunov S.V., ***Mazanik E.V.***, ***Sadov A.P.***, ***Khautiev A.M.-B.*** Testing of integrated degasifying treatment technology based on hydraulic splitting of coal seam using surface holes 58

Ulyanova E.V., ***Malinnikova O.N.***, ***Pashichev B.N.*** Influence of structural nonuniformity on features of thermal decomposition in coal 71

Geomechanics, Rock failure

Galkin A.F., ***Kurta I.V.*** Effect of temperature on thaw depth in frozen rocks 82

Overchenko M.N., ***Tolstunov S.A.***, ***Mozer S.P.***, ***Belin V.A.*** Design of control elements for emulsion explosive energy with programmable initiation 92

Tsibaev S.S., ***Renev A.A.***, ***Pozolotin A.S.***, ***Mefodiev S.N.*** Assessment of seismic impacts on stability of openings in underground mines 101

Geoecology

Akhmadiyev A.K., ***Ekzaryan V.N.*** Rehabilitation of the natural environment as the structural element of ecological security 112

Mining machinery

Basyrov I.I., ***Bardovsky A.D.*** Innovative crushing technique and vertical roll crusher design 121

Dmitrieva V.V., ***Sizin P.E.*** Continuous belt conveyor speed control in case of reduced spectral density of load flow 130

Enrichment of minerals

Evdokimov S.I., ***Gerasimenko T.E.*** Use of placer gold as mineral carrier in flotation of gold ore 139

Safety in emergency

Lebedev V.S., ***Skopintseva O.V.***, ***Ivanov D.V.***, ***Ivanov P.D.*** Composition of residual gases in coal and estimation of their role in fire and outburst hazards in coal mines 152

Energetics and energy efficiency of mining industry

Kubrin S.S., ***Reshetnyak S.N.***,, ***Bondarenko A.M.*** Impact of technology factors on specific power demands of equipment in extraction districts of coal mines 161

Shevyrev Yu.V. Power quality improvement in operation of semiconductor frequency converter 171

Special editions GIAB

Zhevnerov V.A., ***Shkundin S.Z.*** Effective approach to analytical modeling of production processes of mining enterprises..... 21

Abdulaev E.K., ***Maharathis P.N.***, ***Kuzhelev A.I.*** Determination of the most significant factors affecting the life of tires and gear motor-wheels using a priori ranking 45

Artemenko S.I., ***Zhantlisova E.A.*** Management technologies as the basis for development industrial enterprises 57

Ushanova S.E., ***Ziborova E.Yu.***, ***Mnatsakanyan V.U.*** Technological methods for improving the performance of mining machines. Modern technologies in mining engineering 81

Nabatnikov Yu.F., Ngo Van Tuan, Ngo Vu Nguyen Providing a given resource power hydraulic cylinders mechanized supports selective Assembly of their connections 91

Bragovsky B.V., ***Kaydo I.I.*** A new approach to development of potash salt deposits at great depths..... 120

Pumpur E.V., ***Knyazkina V.I.***, ***Kristina A.S.***, ***Ivanov S.L.*** Assessment of factors that influence the choice of excavator maintenance strategy..... 129

Ivanov D.S., ***Vetrova I.G.*** The role of modern technologies in coal mining..... 138

The deposited manuscripts

Ovcharenko N.V. Application of the three-dimensional digital modeling process to solve the problem of improving the quality of coal products by radiation factor 33

Ivatanova N.P., ***Goncharova A.R.***, ***Kochenov A.S.*** On the issue of creating new Russian transit communication networks to ensure the export of mining products 151
