

## CONTENT

### Geomechanics, Rock failure

<i>Rasskazov I.Yu., Sidlyar A.V., Potapchuk M.I., Miroshnikov V.I.</i> Geomechanical validation of borehole stress-relief method in rockburst-hazardous rock mass .....	5
<i>Brukhavetskaya A.O.</i> Current achievements in blasted rock fragmentation quality assessment: Review .....	18
<i>Toksarov V.N., Pospelov D.A., Beltyukov N.L., Udartsev A.A.</i> Determining modulus of deformation in surrounding rock mass of Sarbai iron ore deposit using borehole hydraulic jack .....	32
<i>Sizin P.E.</i> Theoretical and numerical modeling of electric conductance in porous media .....	43

### Geotechnology

<i>Golik V.I., Alekseev I.A.</i> Usage of rock structures in underground mining of hard-rock mineral deposits.....	57
--	----

### Mine aerogasdynamics, Mining thermophysics

<i>Kashnikov A.V., Kruglov Yu.V.</i> Fuzzy logic-based determination of ventilation parameters in active mining areas .....	68
<i>Nikolaev A.V., Maksimov P.V., Fajnburg G.Z., Konotop D.A.</i> Efficiency of a new ventilation method for a tilted block in an oil mine.....	83

### Geoecology

<i>Drozдова I.V., Timofeeva S.S., Timofeev S.S.</i> Prospects for gold phytorecovery from washed sand at placers.....	99
---	----

### Mining industrial geology, Mining geophysics

<i>Yannikov A.M., Zyryanov I.V., Korepanov A.Yu.</i> Cryohydrogeology as a key factor in water disposal system design: A case-study of kimberlite pipes in Western Yakutia.....	112
---	-----

### Markshading, Geometry of subsoil

<i>Druz' R.A., Protasova A.V., Ohunov Sh.R., Kshanovskaja A.V.</i> Comparison of air-born laser scanning and aerial survey using unmanned air vehicles.....	130
---	-----

### Theoretical bases of designing of mining-technical systems

<i>Talanin V.V., Bekher V.G., Kazakov V.A.</i> Adjustment of operating routine in open pit mining given the coal market volatility .....	142
--	-----

### Energetics and energy efficiency of mining industry

<i>Babokin G.I.</i> Influence of longwall length on specific power consumption .....	155
--	-----

### Production organization and management in mining

<i>Minakov V.S.</i> Mechanism of stage-by-stage injury risk reduction in coal mines .....	170
---	-----
